

# Internal / External Information Notice Case

**HBS** Hunters  
Business  
Supplies Pty Ltd

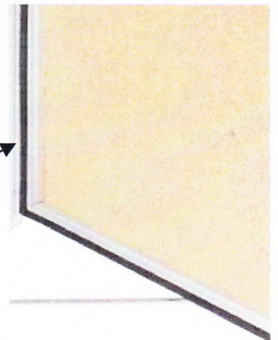

A stylish and powerful statement for the display of important information ... either *internal or external*

## Featuring ...

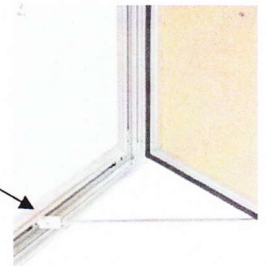

- The ideal information display case for all outdoor areas.
- Unique water resistant design ... internal rubber seal
- Aluminium frame in satin silver finish with a 50mm face and a depth from the wall of 40mm
- Background is Bulletin board cork
- Each case is fully lockable with security style lock and key (x2)
- Internally pivoting door .. no hinges seen !
- For added integrity the back of each case is laminated

Rubber gasket around the internal frame ... helps prevent water and dust from entering the case !

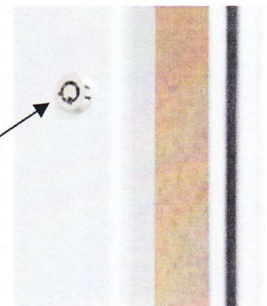

A metal stay is fitted to prevent the door accidentally closing on fingers .. especially if used outside in windy conditions.

## Sizes and Codes ...

	External size	Holds
TX6000	- 1050x1080mm	12 A4 sheets
TX6001	- 820x1080mm	9 A4's
